PETITION OF INTEREST FOR SIDEWALK REPAIR/REPLACEMENT

The undersigned property owners hereby request that the Board of Public Works consider a repair or replacement of public sidewalks at the addresses listed below under the City of Evansville Sidewalk Repair/Replacement Program. We understand that signing this petition does not bind the City of Evansville or us contractually or otherwise to proceed under the program, and this document is only intended to indicate possible interest in the program which involves a 75/25 split of cost is the project is approved in 2005 and a 50/50 split of cost if the project is approved in 2006 and thereafter. The undersigned also understands that the City of Evansville may reject the project, any such project is subject to the priorities established in the program and is subject to funding and approval by the Board of Public Works.
